

# Advanced Citizen's Police Academy

The advanced citizen's police academy will be held this spring beginning January 20<sup>th</sup>, 2010. Most classes will be held on a Wednesday night at the Civic Center from 6 p.m.-9:30 p.m. The classes will *not* be held the second week of the month so as not to interfere with the regularly scheduled Alumni meetings. You must be a member in good standing of the League City Police Officer's Alumni Association.

The courses are designed as a specialized look into law enforcement duties as well as give the participants training/certifications they can use to further their involvement with the League City Police Department. Courses include:

- 1/20/09 Alumni Program Development- (Where can you plug in? Future projects)
- 1/27/09 CPR certification
- 2/03/09 Citizens On Patrol certification
- 2/17/09 Crime Scene Search
- 2/27/09 Building Search with practicals

The class is limited to (30) thirty participants. Registration will begin at 8 a.m. on Tuesday, August 18<sup>th</sup>, 2009 by phone or email (email is preferred). You must provide an email address at time of registration. **Preference will be given to Alumni who have demonstrated a commitment to the Alumni Association through active participation and attendance of Alumni meetings, as well as, those who have never attended the Advanced CPA.** I will send out an email once registration has been processed that will list the participants.

For those who are interested, special certifications will be offered in the spring for future Alumni sub-committees to be developed over the next few months. More information will be available after January 1<sup>st</sup>, 2010.
