**NOTIFICATION OF PERMIT RENEWAL  
REGULATING PRIVATELY OWNED AMBULANCES**

As of 01/31/2019, current City of League City Ambulance Permits, Company permits and Attendant/Attendant-Driver permits will be expired. To expedite a return of all permits please submit all required paperwork together and your company, ambulance and attendant permits will be processed together.

We require a notarized Affidavit with each application. The application and Affidavit must be submitted together and must have been signed and **notarized** with **original** signatures, no more than 30 days prior to submitting.

Please complete applications for the company, ambulances and attendant/drivers, being sure to mark renewal where indicated. Applications for permits can be found attached to this document, printed from the City of League City EMS website or picked up from the City of League City EMS station located at 260 FM 270 S., League City, TX 77573.

Completed applications must be returned to City of League City EMS at 260 FM 270 S., League City, TX 77573. Payments can be company check or money order and must accompany the completed application. Inspections of units will be scheduled following the submission of completed applications.

There are no grace periods.

Normal business hours for both locations are 8:00 a.m. to 4:00 p.m., except holidays.
