Frequently Asked Questions

1. **How early can I get in to decorate?** You will not be able to enter the pool area any earlier than your designated rental time. The time on your rental contract is the time you have in the pool area. Your rental must be cleaned and guests exited the pool by the end of your rental time.
2. **What kind of decorations can I bring?** You can decorate the rented area however you would like as long as everything is properly cleaned up afterwards. Exceptions: NO glitter, paint, sidewalk chalk, confetti, stickers or anything too small for easy pick up.
3. **What if I want to add something to my reservation at a later time?** Any addons/changes MUST be made at least 12 days in advance and made in person at Hometown Heroes Park.
4. **Is there electricity at the pool?** There is not a reliable electricity source at either pool.
5. **Can I bring something to play music?** Only for private pool rentals. No electricity is available so it must be battery operated and kept at a low volume for safety.
6. **Can I have a catered event?** Yes for private pool rentals ONLY. The caterers may not show up earlier than your reserved time to set up.
7. **When is the latest I can reserve?** If available, reservations must be made at least 12 days in advance.
8. **Can I bring inflatables to the pool?** Nothing larger than a pool noodle is permitted in the pool. Any pool inflatables or floatation devices may be removed from the pool at the managers discretion. All floatation devices must be coast guard approved.
9. **Can I bring my own food in?** Yes for both private pool rentals or pool pavilion rentals. Food and drinks must stay under the pavilion areas. All food and drinks must be cleaned up at the conclusion of your rental. NO GLASS PERMITTED.
